

The Luminations Group Honored With 2017 Enterprising Women of The Year Award

Lisa Kent Honored As Top Woman Entrepreneur

(March 24, 2017) – The Luminations Group, LumGroup.com, a progressive business solution and marketing strategy agency, has announced that Lisa Kent, Founder and President, has received the Enterprising Women of the Year award for 2017 from *Enterprising Women* magazine. This award honors women business owners who have demonstrated that they have fast-growth businesses, mentor or actively support other women and girls involved in entrepreneurship, and stand out as leaders in their communities. Many of the award recipients are also leaders in key organizations that support the growth of women’s entrepreneurship. Lisa Kent won in the category of “Annual sales revenues over \$2 million and up to \$5 million.” Winners will be recognized at the 15th Annual Enterprising Women of the Year Awards Celebration on April 2 - April 4 at the Ritz-Carlton Fort Lauderdale, Florida.

“The Enterprising Women of the Year Awards Celebration continues to grow each year, attracting more nominations from outstanding women entrepreneurs around the world. Our class of 2017 includes honorees from the United States, Canada, the United Kingdom, Portugal, Kenya, The Netherlands and several other countries,” Monica Smiley, publisher/CEO of *Enterprising Women*, said.

“When this awards program began 15 years ago, there were only a handful of nominees in what was then the highest revenue category –over \$10 million in annual revenues. This growth reflects the fact that more women are scaling their businesses to the \$100 million plus level. The Enterprising Women of the Year Award has grown each year in prestige and stature so women entrepreneurs at all levels want to be recognized with this award for the great work they are doing. We could not be more proud of the outstanding women who make up the Enterprising Women Class of 2017,” Smiley, said.
